

There Was a Time When Any Old Kind of Clothing Would Satisfy Most Any Man

Those were great days for the fly-by-night merchant. But times have changed, we are glad to say, and nowadays a merchant can't make good unless he delivers the goods. In our case, we point back to our years of progress and growth, the result of delivering the goods. You can't go wrong at this store in the selecting of your clothing. Price fairness is another thing we feature.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists. It was 11:55 p. m. by the little premium clock on the mantel. "Yaws," said young Sapleigh, "the fellows all say I'm a dreadfully easygoing chap, doncher know." "Really!" said Miss Cutting, trying to strangle a yawn. "Well, you may be, but I don't believe it."

Friendly Bird.

An English lady residing in the country has a pet blackbird. Last summer the bird's cage was placed in the open window and a wild blackbird flew down to it, looking through for a minute or two at the prisoner and then flying away. A minute afterward the visitor returned, bearing a worm in its beak. This act of friendship was repeated again and again, until the caged blackbird and his mistress had to leave. The two birds had been separated for eight months, but recently the lady returned to the country, and had not hung the cage up half an hour before the same wild blackbird was seen flying down to his old friend.

THE GIST OF IT.

"Last December I had a very severe cold and was nearly down sick in bed. I bought two bottles of Chamberlain's Cough Remedy and it was only a very few days until I was completely restored to health," writes O. J. Metcalf, Weatherby, Mo. If you would know the value of this remedy, ask any one who has used it. Obtainable everywhere. d&w

Coal is generally considered very common stuff and the most of it is. But our Quality Coal is a class all its own. Its First Name is Quality and it's entitled to that name. For it's a superior sort of fuel and its head and shoulders above the common kind of coal. Try Quality Coals. They cost no more and are worth much more.
